

VENUS
ENGINEERS
Since 1998

An ISO 9001:2015 Certified Company

Manufacturer of

**Stainless
Steel Pipe &
Tube**

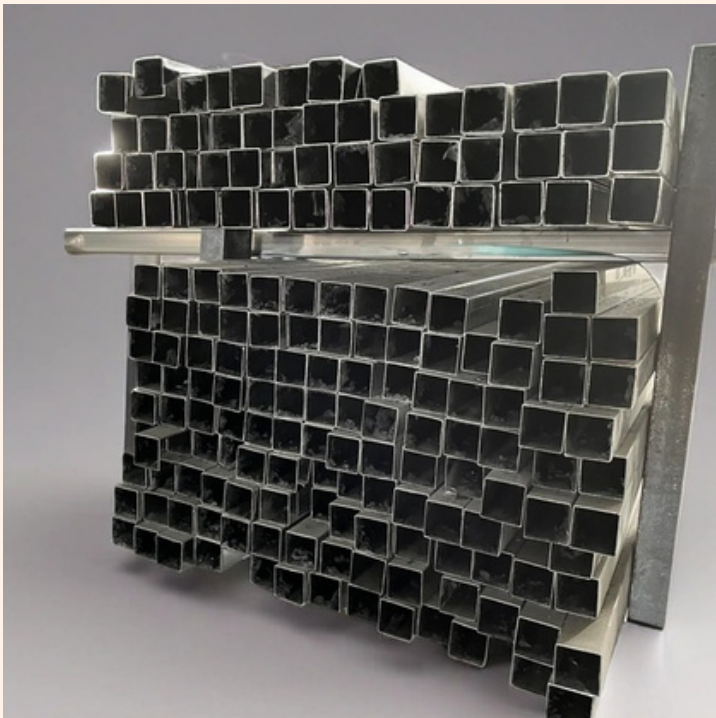

ERW Stainless Steel Pipe

S.S. Round

Grade 202 and 304

Manufactured with precise dimensional tolerance, offering excellent corrosion resistance and durability for mechanical and structural applications.

Specification	Details
Brand	Venus Engineers
Surface Finish	Finish Polished
Size	12.5 mm to 63.5 mm
Unit Length	6 mtr. std. (customized)
Thickness	0.55 mm to 2 mm

S.S. Square

Grade 202 and 304

High-strength, uniform thickness tubes with smooth surface finish, suitable for fabrication, frames, and load-bearing structures.

Specification	Details
Brand	Venus Engineers
Surface Finish	Finish Polished
Size	12. x 12 to 50 x 50 mm
Unit Length	6 mtr. std. (customized)
Thickness	0.55 mm to 2 mm

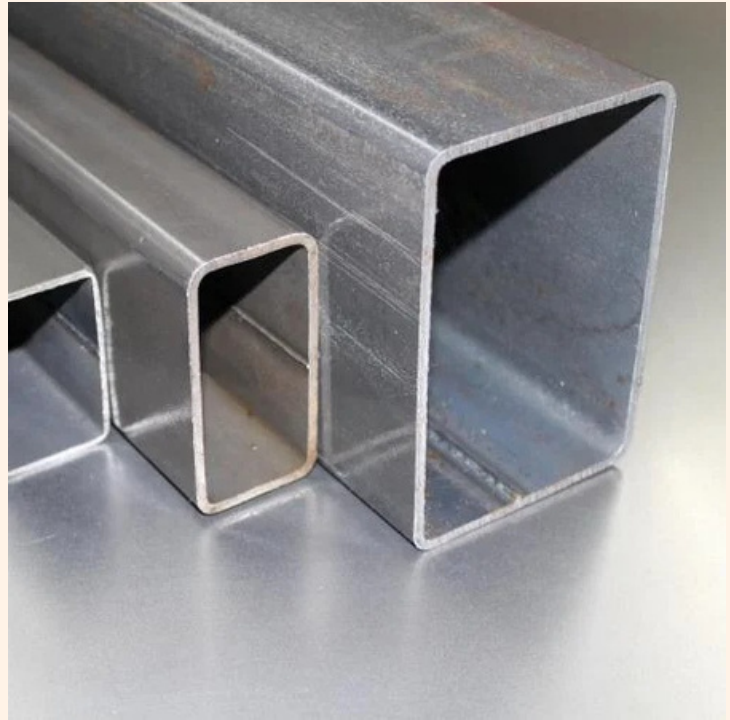

Profiles and Tubes

S.S. Rectangle

Grade 202 and 304

Engineered for high strength-to-weight ratio, providing excellent weldability and corrosion resistance for architectural and industrial use.

Specification	Details
Brand	Venus Engineers
Surface Finish	Finish Polished
Size	26 x 13 to 65 x 35 mm
Unit Length	6 mtr. std. (customized)
Thickness	0.55 mm to 2 mm

Full Range of Shape and Sizes

Round (mm)	Inch or OD	Square (mm)	Rectangle (mm)	Oval (mm)
12.5	1/2"			
16	5/8"	12 x 12		
19	3/4"	15 x 15		
22.23	7/8"			
25.4	1"	20 x 20	13 x 26	13 x 33
30				
32	1 1/4"	25 x 25		
38	1 1/2"	30 x 30	20 x 40	
50.8	2"	40 x 40		
63.5	2 1/2"	50 x 50	35 x 65	

Applications of Our SS Pipes & Tubes

- **Furniture & Interior** – Chair frames, tables, railing systems, modular furniture.
- **Commercial Kitchens** – Work tables, shelves, trolleys, sinks, and equipment frames.
- **Food & Dairy Industry** – Processing equipment, storage racks, conveyor systems.
- **Construction & Architecture** – Handrails, gates, facades, support structures.
- **Automobile & Transport** – Bus body structures, exhaust systems, luggage racks.
- **Medical & Pharmaceutical** – Hospital furniture, trolleys, and equipment stands.
- **Retail & Display** – Shop fittings, display racks, counters.
- **General Fabrication** – Custom frames, supports, and machine components.
- **Sanitary & Plumbing** – Pipes, fittings, and bathroom fixtures
